

2019 Community Futures Parkland Volunteer Award *Nomination Form*

Volunteerism has a **HUGE** impact on our communities and because of this Community Futures Parkland is showing their appreciation!

A **VOLUNTEER** is a person who freely offers to do something or a person who works for organizations without being paid. Do you know someone that should be taking a bow for building their community and making a difference? Is there someone you think deserves an extra pat on the back and show of appreciation? Does someone in your community generously donate their time and energy to enhance community spirit? Do you agree that these individuals warrant special recognition?

The **Community Futures Parkland Volunteer Award** is set up for **you** to nominate whom you think has gone above and beyond in committing their time, skills and energy to their community. Volunteers of any age may be nominated.

The Community Futures Parkland will organize an evening event to show our appreciation of nominees' involvement in and dedication to their communities. In addition, the volunteers will be highlighted in papers throughout the Parkland, and presented with a certificate of appreciation.

Community Futures Parkland believes strongly in this initiative and looks forward to your nomination. The Community Futures Parkland Board will meet in March and arrangements for the appreciation evening will be made shortly thereafter.

The deadline for applications is Monday, February 4, 2018.

Please send completed nomination form & supporting documentation to:
